

IBM CLOUD SERVICE

DATE	29 OCTOBER 2022
TEAM ID	PNT2022TMID46164
PROJECT NAME	Smart farmer-IOT enabled smart farming applications

SPRINT-1

- To create an IBM cloud account

 Gmail  YouTube  Maps

The screenshot shows the IBM Cloud Dashboard interface. At the top, there is a dark navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's name (Dharshini Mari durai's ...). Below the navigation bar, the main content area is titled "Dashboard" and includes links for "Edit dashboard", "Upgrade account", and a prominent blue "Create resource" button. The dashboard is organized into a "For you" section with a horizontal scroll of cards. The first card, "Build", is highlighted in blue and purple, encouraging users to explore easy starter tutorials. Other cards include "Monitor your resources" (5 min), "Use Watson Assistant" (2 min), "Explore tutorials" (10 min), "Set up your IBM Cloud account" (10 min), and "Create cluster". Each card provides a brief description and a "Getting started" button.
